Annual Event 2017

Tentative block topics:

- 1 Alignment and impact: progress forwards
- 2 Research coordination instruments:  
MS experience looking at the new framework program 2030  
(strengths, weakness, new opportunities)
- 3 Monitoring, Evaluation and Projects Impact Assessment  
(input from PLATFORM WS May 2017)
- 4 Multi actors approach (in collaboration with EIP Agri)
