

FACCE SURPLUS

SUSTAINABLE AND RESILIENT AGRICULTURE FOR FOOD AND NON-FOOD SYSTEMS

Mid-term Report (from project start to M18)

*To be filled in and submitted by the project coordinator
An Annex has to be provided by Email*

A – General project data

In this part of the questionnaire, we ask the project coordinator to provide statistical data to be used by the European Commission, FACCE-JPI and FACCE-SURPLUS for (long-term) evaluation purposes.

1. Project Title			
2. Acronym			
3. Project website			
4a. Official Start (dd/mm/yy)		4b. Expected End (dd/mm/yy)	
5. Project coordinator:			
6. How many research organisations are involved in your project? List organisations' name			
7. How many research groups are involved in your project?			
8. How many different disciplines are involved in your project? Please list them in your annex.			
9. How many full time equivalents (FTE) are involved in your project?			
10. How many and what type of private partners?	a. SMEs b. LCs c. Others, please specify		
11. How many countries are involved in your project?			
12. Are there partners involved that are from countries not participating in the call and/or are FACCE-JPI? Please list those countries.			
13. Is your project building on	1. an existing collaboration? 2. an existing collaboration with one or more new partners, (specify number)? 3. a completely new collaboration?		

B – Work progress and achievements in the period

In this part of the questionnaire, we ask you to provide information concerning the progress of your project during the first half of its duration. FACCE SURPLUS will use the information to monitor the progress of your project. Additionally the information will be accessible for FACCE-JPI, the member states involved and the European Commission to be used for overarching ‘policy’ analysis.

1. FACCE-JPI Subtheme primarily addressed by your project (slide?)	Subtheme 1: Spatial targeting of land use to increase biomass production and transformation, stimulating the growth of systems for the efficient utilisation of green (plant) biomass cascading through novel transformations.	1. Substantial 2. Moderate 3. Minor 4. Not at all		
	Subtheme 2: Developing markets for a wide range of products and services generated through integrated food and non-food systems.	1. Substantial 2. Moderate 3. Minor 4. Not at		
	Subtheme 3: Sustainable intensification of integrated food and non-food systems of agriculture by developing integrated, systems based approaches to land management.	1. Substantial 2. Moderate 3. Minor 4. Not at		
2. How does the project proceed? (green: smoothly; yellow: minor problems; red: some problems).		<div style="display: flex; flex-direction: column; gap: 5px;"> <div style="background-color: green; color: white; padding: 2px 5px;">green</div> <div style="background-color: yellow; color: black; padding: 2px 5px;">yellow</div> <div style="background-color: red; color: white; padding: 2px 5px;">red</div> </div>		
3. Please specify if yellow or red (max. 1000 characters).				
4. Are there deviations from proposal/work-plan?		1. Yes 2. No		
5. If yes, please specify, including necessary adjustments (max. 1000 characters).				
6. Milestones				
Nr.	Partner responsible	Date	Progress	Comment
Etc.				
7. Deliverables				
Nr.	Partner responsible	Date	Progress	Comment
Etc.				
8. Please list main three dissemination activities achieved so far including outreach highlights.				

C – Project Summary

Please provide a short description of objectives, activities and significant results for the period. It should include a progress report for public dissemination for FACCE-JPI, FACCE-SURPLUS and the European Commission (max. 2000 characters).

D – Partner data

In this part of the questionnaire, we ask the project partners to provide statistical data to be used by the European Commission, FACCE-JPI and FACCE-SURPLUS for (long-term) evaluation purposes.

Partner 1

1. Partner role	1. Partner 2. Observer (without funding)
2. PIC (Participant Identification Code for H2020 if available; see https://ec.europa.eu/research/participants/portal/desktop/en/organisations/register.html)	
3. Legal name of organisation:	
4. Short name	
5. Country	
6. Address	
7. ZIP	
8. Town	
9. Type	<ul style="list-style-type: none"> a. Private or public body u. Research organisation v. Secondary or higher education establishment w. Non-profit organisation x. International organisation with European interest y. International organisation z. SME
10. By which funding agency is this entity funded for this research project?	<ul style="list-style-type: none"> a. list funders involved b. others, please specify c. NA, not funded through SURPLUS
11. Technological readiness level (TRL) of your project task; in case of several research groups per partner state for each group.	<ul style="list-style-type: none"> 1. basic principles observed 2. technology concept formulated 3. experimental proof of concept 4. technology validated in lab 5. technology validated in relevant environment 6. technology demonstrated in relevant environment 7. system prototype demonstration in operational environment 8. system complete and qualified 9. actual system proven in operational environment
Which organisations, research groups, enterprises etc. do you consider as recipients of your work in the TRL scale?	
12. Do you share equipment and/or facilities of a partner organisation?	<ul style="list-style-type: none"> 1. No 2. Yes
If yes, how easy was it to gain access?	<ul style="list-style-type: none"> 1. Easy

		2. Difficult, please briefly state reasons	
13. Contact person			
a. Ms /Mr	b. First name:	c. Family name:	
d. Function:		e. Phone (with int. prefix):	
f. E-Mail:			

Partner 2

1. Partner role	1. Partner 2. Observer (without funding)
2. PIC (Participant Identification Code for H2020 if available; see https://ec.europa.eu/research/participants/portal/desktop/en/organisations/register.html)	
3. Legal name of organisation:	
4. Short name	
5. Country	
6. Address	
7. ZIP	
8. Town	
9. Type	a. Private or public body u. Research organisation v. Secondary or higher education establishment w. Non-profit organisation x. International organisation with European interest y. International organisation z. SME
10. By which funding agency is this entity funded for this research project?	a. list funders involved b. others, please specify c. NA, not funded through SURPLUS
11. Technological readiness level (TRL) of your project task; in case of several research groups per partner state for each group.	1. basic principles observed 2. technology concept formulated 3. experimental proof of concept 4. technology validated in lab 5. technology validated in relevant environment 6. technology demonstrated in relevant environment 7. system prototype demonstration in operational environment 8. system complete and qualified 9. actual system proven in operational environment
12. Do you share equipment and/or facilities of a partner organisation?	1. No 2. Yes

If yes, how easy was it to gain access?		1. Easy		2. Difficult, please briefly state reasons	
13. Contact person					
a. Ms /Mr	b. First name:		c. Last name:		
d. Function:		e. Phone(with int. prefix):			
f. E-Mail:
